*2<sup>nd</sup> Annual conference of Heart Failure  
Association of India*

*20<sup>th</sup> - 21<sup>st</sup> February 2016*

*The Park, Hyderabad*

Dear Friends

Greetings from Heart Failure Association of India !

We are pleased to invite you to the 2<sup>nd</sup> Annual conference of Heart Failure Association of India to be held on 20<sup>th</sup> & 21<sup>st</sup> of February, 2016 in Hotel Park, Hyderabad.

We are witnessing a steep increase in the burden of heart failure in our practice. The conference is tailored to address issues in management of HF which are relevant to practicing clinicians. Recent advances in imaging , pharmacological, device and surgical therapy will be covered by faculty of national and international repute.

We will have parallel sessions for physicians, cardiologists, and nurses during the meeting. Scientific papers in the form of posters will be presented.

Attendance will be awarded with credit hours.

If you have any queries please do not hesitate to contact us.

**Regards**

**Dr. B K S Sastry**

**Dr. V K Chopra**

**Dr. C Narasimhan**

**Patrons**

**Dr. B Somaraju**

**Dr. K K Talwar**

**Dr. Naresh Trehan**

## SCIENTIFIC PROGRAMME

	<b>DAY 01</b>	
<b>Time</b>	<b>Topics</b>	<b>Speaker</b>
	<b>Basics</b>	
09:00 - 09:10	Clinical recognition, definitions, stages	Dr. NK Reddy
09:10 - 09:25	Aetiology of heart failure in Indian context	Dr. Hari Krishna
09:25 - 09:40	Classifications of cardiomyopathies	Dr. Rama Chandran
09:40 - 09:45	Discussion	
	<b>Management of Heart Failure</b>	
09:45 -10:05	How do I manage acute decompensated heart failure	Dr. Anil Kumar
10:05 -10:25	How do I manage Stage D disease	Dr. Panigrahi
10:25 -10:30	Discussion	
10:30 -10:45	<b>Tea Break</b>	
	<b>Comorbidities</b>	
10:45 -11:00	Cardio renal syndrome	Dr. Ashwin Iyengar
11:00 -11:15	Heart failure , COPD and OSA	Dr. Ashfaq
11:15 -11:30	Chemotherapy induced heart failure - how do I monitor	Dr. Sandeep Seth
	<b>Joint session with European heart failure society</b>	
11:30 -11:50	Drug therapy of acute heart failure – what is on the horizon ?	Dr. Ponikowski
11:50 -12:10	Use of biomarkers in heart failure	Dr. Von Haehling
12:10 -12:30	Drug therapy of chronic heart failure – what is on the horizon ?	Dr. Stefan Anker
12:30 -12:50	HF clinics and telemedicine : European experience	Dr. Von Haehling
12:50 - 01:00	Discussion	
01:00 - 02:00	<b>Lunch</b>	
	<b>Diabetes and Heart Failure</b>	
02:00 - 02:20	Mechanisms and management of Heart failure in Diabetes	Dr. Coats
02:20 - 02:40	Hypertension and Heart failure	Dr. Venkat S Ram
02:40 - 03:00	Case based discussion with panelists	Dr. Bipin Kumar Sethi & Dr. Coats
	<b>Diastolic heart failure</b>	
03:00 - 03:20	Pathophysiology of HFpEF and advances	Dr. IS Anand
03:20 - 03:40	Mechanisms and management of Heart Failure in HCM	Dr. Coats
03:40 - 03:45	Discussion	
03:45 - 04:00	<b>Tea Break</b>	
	<b>Joint session with European heart failure society</b>	
04:00 - 04:15	Iron deficiency in HF from diagnosis to therapy to improving outcomes	Dr. Stefan Anker
04:15 - 04:30	Autonomic imbalance in heart failure - target for intervention?	Dr. Ponikowski
	<b>Pharmacotherapy in Heart failure</b>	
04:30 - 04:40	Angiotensin neprilysin in heart failure	Dr. M.Srinivasa Rao
04:40 - 04:50	Ivabradine - real indications	Dr. Purnanand
04:50 - 05:00	Nitrate hydralazine combination in heart failure	Dr. Bhagirath
05:00 - 05:10	Pulmonary vasodilators in heart failure	Dr. B K S Sastry
05:10 - 05:20	Metabolically active drugs in heart failure	Dr. Chenniappan
05:20 - 05:30	Discussion	
	<b>Lectures Over Dinner Meeting</b>	
07:00 - 07:30	Management of Atrial Arrhythmias	Dr. Soumen
07:25 - 08:00	Management of Ventricular arrhythmias	Dr. Narasimhan

**DAY 02**

<b>DAY 02</b>					
	<b>Session for physicians</b>			<b>Session for Cardiologists</b>	
<b>Time</b>	<b>Topics</b>	<b>Speaker</b>	<b>Time</b>	<b>Topics</b>	<b>Speaker</b>
08:00 - 08:15	ECG	<b>Dr. Ajay Bahl</b>	08:00-08:25	Hemodynamics in heart failure	<b>Dr. Fang</b>
08:15 - 09:00	Recorded echo cases for physicians	<b>Dr. Shanmukha Sundaram and Dr. Anjaneyulu</b>	08.30 - 08:55	Myocarditis Evaluation and Management	<b>Dr. Leslie T Cooper</b>
			09.00 - 09.15	Assessment of right ventricular function in heart failure	<b>Dr. J C Mohan</b>
09:00 - 10:15	Case Discussion with Experts	<b>Dr. B Soma Raju Dr. Rama Krishna</b>	09 15 - 09:30	Role of MRI in Heart failure	<b>Dr. Gurpreet S Gulati</b>
			09:30 - 09:40	Granulomatous Myocarditis	<b>Dr. Narasimhan</b>
			09:40 - 09:50	Endomyocardial Biopsy	<b>Dr. Ajay Bahl</b>
			09:50 - 10:00	Cardiac specific silencing of Myocarditis gene as a novel therapeutic modality	<b>Dr. Madhu Khullar</b>
10:15 - 10:30	Ventilatory support for Acute Heart failure	<b>Dr. RamaKrishna</b>	10:00 - 10:15	Low Gradient Aortic Stenosis and heart failure	<b>Dr. V. Daya Sagar Rao</b>
			10:15 -10:30	Surgical management of Mitral regurgitation in Heart failure	<b>Dr. Gokhale</b>
			10:25 - 10:30	Discussion	
10:30 -10:45	<b>Tea Break</b>				
10:45 -11:05	Recent advances in ICDs and CRTs	<b>Dr. Balbir</b>			
11:05 -11:30	Current Guidelines for the management of Ischemic heart disease with severe LV dysfunction	<b>Dr. I S Ananad</b>			
11:30 -11:55	Work up for Heart Transplant Recipient – Indian Issues	<b>Dr. Sandeep Seth</b>			
11:55 -12:20	Heart Transplantation - Indian Experience	<b>Dr. Sunder</b>			
12:20 -12:45	ECMO and other short term devices in heart failure	<b>Dr. Yethin Mehta</b>			
12:45 - 01:10	The status of Destination Therapy	<b>Dr. KR Balakrishnan</b>			
01:10 - 01:20	Status of stem cell transplant in heart failure	<b>Dr. Sanjay Mittal</b>			
01:20 - 01:30	Care of terminally sick patient with Heart failure	<b>Krishna Mohan</b>			
01:30 - 01:45	Discussion & Closing Remarks				

	<b>DAY 02</b>		
	<b>Session for Physician Assistants/Nurse Clinicians</b>		
<b>Time</b>	<b>Topics</b>	<b>Speaker</b>	
08:00 - 08:20	Symptoms and signs of HF & how to diagnose HF.	<b>Dr. N K Reddy</b>	
08:20 - 08:40	Pharmacological treatment options of HF.	<b>Dr. Daljeet Saggu</b>	
08:40 - 09:00	Acute decompensated HF – Causes and prevention.	<b>Dr. Uday Prashanth</b>	
09:00 - 09:15	Review the trends in HF, re-admissions & mortality. How to prevent re-hospitalizations?	<b>Dr. Soumen</b>	
09:15 - 09:30	Non - Pharmacological Management of Heart Failure – What to teach to the patients with HF and why?	<b>TBA</b>	
09:30 - 09:45	Benefits of exercise training In HF	<b>Mr. K S Kiran</b>	
09:45 -10:00	Interpretation of Echocardiography in HF	<b>Dr. Mira Govindarajan</b>	
10:00 - 10:15	Discussion		
10:15 - 10:30	Closing remarks

## REGISTRATION FEES

	<b>Registration</b>	<b>Spot Registration</b>
Doctors	Rs.6,000	Rs. 8,000
Nurses and Paramedical staff	Rs.3,000	Rs. 5,000

The registration fee includes delegate kit, scientific sessions, breakfast, 2 lunches and 1 dinner.

### **Contact:**

For Registration : Mrs Roja - 089857 01968

For Accommodation : Mr.Venkat Rao - 098480 33230

**Email:** hfai2016@yahoo.in, hfai2016@carehospitals.com

NOTE: Last day for registration is 10<sup>th</sup> February 2016

## **PAYMENT DETAILS**

*The amount will be acceptable only by Demand Draft & NEFT.*  
*Cash payment may be done only for SPOT Registration*

D.D No:.....

Drawee Bank & Branch.....

Details of NEFT transfer .....

(Fee particulars and payment modes are also available on the website)

Send all the filled up forms along with A/C Payee

Demand draft in favor of care foundation Payable at Hyderabad

By courier / speed / Regd post :

**Prof. Andrew JS Coats, MA (Oxon) MB B Chir (Cantab) DM (Oxon), DSc FRACP, FRCP, FESC, FAHA, FHFA, FCSANZ, FAICD, MIOD, MBA**

Prof Coats has been Joint Academic Vice-President, University of Warwick, UK and Monash University, Australia since 2012 leading the Monash-Warwick Alliance. Prof. Coats specializes in heart failure and hypertension. He has in excess of 1500 publications, more than 57,000 career citations, and a personal H-index of 107 to his credit. He has been Editor-in-Chief of the International Journal of Cardiology since 1999. He has been Chairman or Committee member of the following major Cardio-metabolic trials: CHRISTMAS, CHARM, COPERNICUS, OXAM, OPTIMAAL, OVERTURE, REPLACE, ACT-ONE and SENIORS.

**Prof. Piotr Ponikowski.**

Professor Ponikowski is the present Head of the Department of Cardiology, Centre for Heart Diseases, Military Hospital and Head of the Department of Heart Diseases, Medical University, Wroclaw, Poland. He is the current President Elect of the Polish Cardiac Society. He was the President of the Heart Failure Association of the ESC (2010-2012) and currently is a Chair of the 2016 ESC Heart Failure Guidelines. His primary research interest is heart failure, including cardio respiratory reflex control, neurohormonal mechanisms in acute heart failure. Prof. Ponikowski has been the main investigator for numerous clinical trials, a member of international steering committees, endpoint committees, and advisory boards. Prof. Ponikowski is a reviewer and editorial board member for several leading cardiovascular journals, he has published over 450 peer-reviewed papers, book chapters, and review articles that are well-cited (H-index: 73).

**Prof. Stefan D. Anker, MD, PhD, FESC.**

Dr. Stefan D. Anker is at present, Professor of Innovative Clinical Trials at University Medical Center Göttingen.. Dr. Anker is Councilor of the Board European Society of Cardiology (ESC, 2014-16). Dr. Anker is in the board of the Heart Failure Association (HFA) of the ESC since 2006. He was HFA President (2012-14), and currently chairs the HFA committee on regulatory affairs. Dr. Anker is founding Editor-in-Chief of the first open access heart failure journal ESC Heart Failure. Dr. Anker serves on the editorial boards of 5 scientific journals (including European Heart Journal, European Journal of Heart Failure & International Journal of Cardiology). Dr. Anker is the founding president of the International Society on Sarcopenia, Cachexia and Wasting Disorders (SCWD) and the founding Editor-in-Chief of the Journal of Cachexia, Sarcopenia and Muscle.

Dr. Anker has authored more than 600 original papers, reviews, and editorials that are well cited (total citations: >36,000, h-index: 96)

**Prof. Inder S. Anand, MBBS, FRCP, FACC, D Phil (Oxon.)**

Dr. Inder Anand is Professor of Medicine, University of Minnesota, and was the Director of the Heart Failure Program at the VA Medical Center in Minneapolis till December 2014. Dr. Anand has made seminal contributions to the field of heart failure with salt and water retention theory, discovered two new syndromes in people living at high altitude; Infantile sub-acute mountain sickness and Sub-acute adult mountain sickness. He pioneered the use of inhaled NO in the management of high altitude pulmonary edema.

He has been a principal investigator in over 80 heart failure clinical trials, and member of executive, steering and end-point committees of several international multicenter clinical trials. He is member of the editorial board of several Journals and has authored over 350 peer-reviewed scientific publications, over 600 abstracts and has over 5,000 citations of his published work.

**Dr. Stephsn Von Haehling, MD PhD DIC FESC.**

Dr. Von Heahling is a consultant cardiologist and Associate Professor of Medicine at the Department of Cardiology and Pneumology at the University Medical Center Göttingen, Germany. Dr. Von Haehling has authored more than 230 original research papers, review articles, and editorials and serves on several editorial boards, including Journal of Cachexia, Sarcopenia and Muscle, ESC Heart Failure, International Journal of Cardiology, Clinical Science, Expert Opinion on Investigational Drugs, Cardiology Research and Practice, and Archives of Medical Science. He has been Principal Investigator in a number of large-scale clinical trials. His research interests include the pathophysiology of heart failure, muscle wasting, biomarkers, and novel treatments.
