INVITATION

Dear Colleagues,

The prevalence of heart failure shows an increasing trend and will be the major cardiovascular and public health problem within the next 25 years. We need a joint front to tackle this mammoth problem, a common front which includes cardiologists, cardiovascular Surgeons, cardiac anaesthesiologists, physicians and all doctors and health care workers involved in the care of Heart Failure.

In this context, Heart Failure Association of India (HFAI) is inviting you to its Sixth Annual Conference on February 8th and 9th at Bangalore. The conference will be at Clarks Exotica, which is close to the Bangalore International airport. This conference will take place in collaboration with Heart Failure Association (HFA) of the European Society of Cardiology (ESC), Society for Heart failure and 'Transplantation (SfHT) Cardiological Society of India Karnataka Chapter & Heart Failure Foundation .

We expect around 300 delegates from all over India. The invited faculty include **Dr Petar Seferovic** – President of the HFA of the ESC, **Dr. Andrew Coats**, President Elect of the HFA of the ESC, **Dr. Stefan Anker** - Former President of the HFA of the ESC, **Dr. Inder S Anand**, Professor of Cardiology at VA Hospital, Minnesota, USA and **Dr. Ranjit John** Professor and director of Adult Heart Failure Surgery, Minnesota, USA .

Bangalore is the garden city of India, which is also the IT Hub of the country. The weather in February is nice in Bangalore with the receding winter. A very good academic feast is being planned which will include discussions and deliberations starting from basic sciences to advanced clinical settings like heart-lung transplant. The organizing committee looks forward to your esteemed presence at the conference to make it a grand success.

With warm regards
