Dear Colleagues,

It gives us immense pleasure in extending to you a very warm invitation to attend the 10th Annual conference of the Heart Failure association of India, which will be held in New Delhi from the 9th to 11th February 2024.

This conference will feature several National and International thought leaders who will share their knowledge with the participants. Several hands-on training workshops and teaching sessions based on case-based discussions have been planned. We hope that their deliberations will provide a unique opportunity for the delegates to update their knowledge in different areas of Heart Failure management and help them to provide quality care to patients in their clinical practice.

Every year the annual Heart Failure Association of India Conference has been held in partnership with the Heart Failure Association of the European Society of Cardiology and has become an eagerly awaited event where Clinical and Interventional Cardiologists, Electro physiologists and CTVs surgeons have come together to deliberate upon the latest advances in their respective fields.

**Dr. Abraham Oomman**  
President

**Dr. Bagirath Raghuraman**  
Secretary

**Dr. Sanjay Mittal**  
Organizing Secretary, HFAI 2024
